

Picture Place!

Object of the Game

Build sight word recognition skills and develop vocabulary by playing with words and their corresponding pictures. Exciting graphics provide motivation to learn new words.

To Select A Game

There are six background scenes. Choose one and use the 24 associated words to create a picture.

How To Save A Picture

You can save your pictures on disk. Make sure you have a **formatted disk** ready before you begin this activity. When you complete a picture, follow the directions on the screen to save your work.
